

# Sly Flourish's Lazy Monster Tokens

A tool from [slyflourish.com](http://slyflourish.com). Icons from [game-icons.net](http://game-icons.net).

## Instructions

- Print, trim, and punch out tokens with a 1" hole punch.
- Stick 1" epoxy stickers on the front side.
- Paste back to back for double-sided tokens.
- Paste skulls to helmets, beasts to cultists, and crowned skulls to dragons.
- Paste numbers in reverse order (6 to 1, 5 to 2, 4 to 3, and so on) so you can start at 1 with each type of token when mixing two types.
- Use sword tokens single-sided for adventurer tokens.
